### **2. Characteristic spirit and general objectives of the school**

Our Lady's Secondary School is a Catholic co-educational voluntary secondary school with a Catholic ethos under the trusteeship of CEIST (Catholic Education an Irish Schools' Trust). In accordance with S.15 (2) (b) of the Education Act, 1998, the Board of Management of Our Lady's Secondary School shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

"Catholic Ethos" in the context of a Catholic voluntary secondary school means the ethos and characteristic spirit of the Roman Catholic Church which aims to promote:

- (a) the full and harmonious development of all aspects of the person, including the intellectual, physical, cultural, moral and spiritual aspects; and
- (b) a living relationship with God and with other people; and

(c) a philosophy of life inspired by belief in God and in the life, death and resurrection of Jesus; and

(d) the formation of the pupils in the Catholic faith in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

Catholic education is therefore a lifelong process of human growth and development which has been at the heart of the Church's mission since Jesus Christ urged his disciples to 'go teach all nations'. The person of Christ is the core of Catholic education.

Our Lady's Secondary School draws on the richness of the religious and cultural heritage of the past, interpreted and lived out for students living in today's world. The charism of *the Sisters of Mercy and Christian Brothers* who began this school is of very significant importance in the life of the school.

As a CEIST school, Our Lady's Secondary School values teaching as one of the most important of all human activities. Our school seeks to build a quality learning community that welcomes, and bears witness to the Gospel values of Jesus Christ, expressed through the lens of the CEIST Charter. These are encapsulated in the core values which are intended to support and nourish the lives of the people who are at the heart of our schools.

- ***Promoting Spiritual and Human Development***
- ***Achieving Quality in Teaching and Learning***
- ***Showing Respect for Every Person***
- ***Creating Community***
- ***Being Just and Responsible***

Our Lady's Secondary School is inspired by the words of Jesus Christ to his disciples, "I have come that they may have life and have it to the full" (Jn 10:10). Because of this, Our Lady's Secondary School provides a rich, holistic education in the Catholic tradition where engagement with and development of the whole person; the intellectual, moral, religious, physical, spiritual and psychological are at the core of our practice.

Education has as its goal the formation of a human person who is free, rational and mature in relationships. Our Lady's Secondary School offers educational opportunities which promote excellence so that students can respond responsibly and creatively to their own lives, the lives of others and to the earth, which is our common home.

In Our Lady's Secondary School, the dignity and uniqueness of every human being as a child of God is acknowledged and affirmed. The Catholic school is an inclusive community, ideally built on love and formed by the interaction and collaboration of its various components: students, parents, teachers, non-teaching staff and members of the Board of Management. Catholic schools are also outward looking. They are connected to their local parish and Diocese and other local organisations which enrich the life of the school. Our school draws on the rich resources of the local community and, in turn, contributes to the life of the local community.

As a Catholic school, Religious Education is central to our curriculum. Alongside Religious Education, the school supports the formation in faith of our students through many school-based experiences of prayer and ritual. All students' spiritual growth is further enhanced through such areas as sport, language, nature, art, poetry and music.

### ***Mission Statement***

Our Lady's is a Catholic co-educational secondary school committed to embracing Gospel values. As a school community we nurture the moral, spiritual, social and academic development of each student. We are dedicated to the pursuit of academic excellence and to quality in teaching and learning. Through the academic, pastoral care and extra-curricular programmes we strive to create a love of learning, enhance student wellbeing and build resilience. We foster a culture of respect for all and we support our students in becoming independent and successful learners.

The school adopts a student-centred approach which nurtures the talents and potential of all, in a positive, safe and inclusive environment. Students are inspired to become just and responsible citizens who will care for and protect the environment. Our hope is that this mission will be fulfilled in a spirit of partnership with students, staff, parents/guardians and the wider community.
