

Re: Summer Programme for students at Our Lady's

Dear Parent/Guardian,

The Department of Education has sanctioned funding for a summer programme of education in schools to support students with Special Educational Needs and students at risk of educational disadvantage. The summer programme at Our Lady's **'Building Confidence and Connections'** will run from Monday 12th June 2023 – Friday 21st June 2023. Students will attend from Monday – Thursday (10am – 3pm) and Friday (10am -1pm). The programme aims to build student confidence and increase their motivation. A range of activities, including trips, will be organised to promote student wellbeing. The activities will assist students and help to ensure they can progress with their peers when they return to school in September. The programme is entirely funded by the Department of Education.

Please complete the slip below and return it to the school by Friday, 12th May 2023. Full details of the timetable for the course will be provided at the beginning of the programme.

We look forward to working with your son/daughter in June. Should you have any queries feel free to contact me.

Yours sincerely,

Paul Fogarty
