

5th May 2023

Dear Parent(s)/Guardian(s),

Sixth year students are coming to the end of their time at Our Lady's Secondary School, and we would like to celebrate their five or six years with us in a special way. On Friday, 19th May we have planned a Graduation Day where activities are planned for the class of 2023 to be together. Students will be afforded an opportunity to reminisce and to share stories of their school days.

We would like to invite you and your families to join with us for our Graduation Mass in the parish church at 12 noon followed by a Farewell Ceremony in the school gym.

We are looking forward to meeting you and your families at this event.

With Kind Regards,

Yours sincerely,

Paul Fogarty
Principal

Martina Butler
Deputy Principal
