Summer Programme – Information for Parents/Guardians and Students

Dear Parent(s)/Guardian(s) & Student,

We are looking forward to the Summer Programme at Our Lady's 12th to 23rd of June. The theme of our programme this year is "Building Confidence and Connection". We hope students will enjoy the range of activities which have been planned and that our focus on teamwork and confidence building will support students as they continue their second-level education at Our Lady's. Several excursions have been planned for the programme including climb of the Devils Bit, Horse Riding and a trip to Kilkenny. We expect that the excursions will be both enjoyable and worthwhile experiences for students. Please take note of the following;

- 1) The summer programme will start at 10am each day and conclude at 3pm. (1pm on Friday's)
- 2) Students should wear comfortable clothing e.g. track suits for the duration of the summer programme.
- 3) As some of the activities are taking place outdoors each day it is advisable to apply sunscreen in the morning prior to arrival at school.
- 4) Students should bring a snack and a packed lunch each day. Additional snacks will be provided by the school.
- 5) The planned activities will include health & fitness, cookery, art, science woodwork and metalwork.

With kind regards,

Paul Fogarty
Principal

Martina Butler
Deputy Principal
