

27th February 2024

Dear Parent/Guardian,

As part of our green school programme, the school is working on completing our fourth green flag. The theme of this flag is Travel and our Green-Schools committee have been working to promote alternative ways to travel to school.

As part of our campaign, we are entering **The Big Travel Challenge** from the **4th to the 15th of March 2024**. If possible we are asking parents and guardians to drop students at either **Lidl** or **The Templemore Arms** at 8.30am and together we will walk the rest of the journey to school. If for some reason this is not a suitable parking place we encourage you to choose another suitable place that is at least 400 meters away from the school gates and walk the rest of the way.

We are aware that this may not be feasible for all students but where possible we would encourage you join in the big travel challenge and walk to school.

Thank you for your continuing support.

Your sincerely,

Paul Fogarty
Principal

Norma Galvin
Green-Schools Co-Ordinator
