

25<sup>th</sup> November 2024

Dear Parents/Guardians,

I am writing to inform you about an exciting opportunity for our Transition year students to participate in the **Templemore Turning on of the Lights Festival**, taking place on **Friday, 29th November 2024**.

As part of this community event, the students will be showcasing their mini-company products at the festival. This is a wonderful occasion for them to display their entrepreneurial skills, interact with the public, and potentially make sales, all while contributing to and being part of a cherished local celebration.

To facilitate this, the students involved will need to be in school on **Friday, 29th November from 12:00pm to 13:25pm**, to organise and set up their stall in the town centre. That evening, they will need to be at their stalls from **6:00 PM to 9:00 PM**, representing their projects and engaging with the public.

Please note that students involved do **not attend work experience on this day**. We kindly ask that they ensure that their work experience provider is informed of this arrangement in advance.

We believe this is a fantastic opportunity for the students to develop their skills, gain practical experience, and connect with the wider community. Your support in helping them prepare and make the most of this event is greatly appreciated.

Thank you for your continued cooperation and encouragement of your child's Transition Year journey.

Kind regards,

Emma Fogarty

TY Co-Ordinator

Deputy Principal
