

Monday 13th January 2025

Dear Parent/Guardian,

It is proposed to re-commence Saturday study in January 2025 for students. Study will run from 9am – 1pm with a fifteen-minute break at 11am.

Saturday Study will only proceed for the school year if there is sufficient demand.

There are four Saturdays from 18th of January to the 9th of February inclusive. The total cost of this study period is €40. To make the study feasible €40 needs to be paid by Friday 17th of January 2025.

Supervised study provides students with an opportunity to get work done early in the day. Students should present on time for each session and bring all necessary equipment with them to the Social Area. Students will not be permitted to go to their lockers during the session. Students will be required access the school via church avenue (main entrance).

If your son/daughter wishes to avail of Saturday study, please provide payment of €40 by Friday 17th January 2025

Yours sincerely,

Paul Fogarty

Principal

Martina Butler

Deputy Principal
