

Dear Parent(s)/Guardian(s),

Please review correspondence from School Transport Operations in relation to the transport applications 2026/2027,

Yours sincerely,

Paul Fogarty

Principal

Martina Butler

Deputy Principal

Dear Principal,

We regret that this communication is being shared so close to the Easter break; this delay arose due to operational matters. We would be grateful if you could share the following information with parents and guardians regarding the School Transport Scheme for the 2026/2027 school year. Please see attached social media graphic to help with dissemination.

School Transport Applications – 2026/2027

The School Transport Scheme, operated by Bus Éireann on behalf of the Department of Education and Youth, will open on **Friday 27 March** for applications and payments. The closing date for payments is **Friday, 8 May 2026** and a full media campaign will begin shortly.

Ukraine/IPAS applications

In order to fully integrate all pupils using mainstream school transport, all pupils who have arrived in Ireland from Ukraine and all pupils residing in IPAS/EROCC centres will be required to apply for mainstream school transport by the deadline date of 8 May also. This will mean that all families, living in accommodation centres, IPAS centres, modular homes, with host families, and living independently, should now apply on the Bus Éireann family portal. Failure to apply and pay or enter medical card details will mean that a ticket will not be offered.

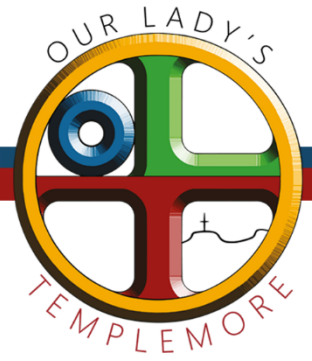

Ticket Prices for 2026/2027

A 2024 review of the School Transport Scheme found that having a fee helps use resources more effectively and prevents bus seats from going unused, helping to protect and sustain the scheme for all families who need it. The review recommended that families using the mainstream scheme should contribute a fee to help protect and sustain the service for all who depend on it. The Government has announced that school transport ticket prices for 2026/27 school year are as follows:

- **Primary:** €100 per child (maximum family charge €200)
- **Post-primary:** €100 per child (maximum family charge €220)

This is equivalent to:

- **55c per day** for primary school pupils
- **60c per day** for post-primary- pupils

No family will pay more than **€1.32c per day** in total, regardless of how many children use the service. A **facility to pay in instalments** is now available to families.

School transport will continue to be **free** for:

- All eligible families with a **medical card**, and
- All eligible children using the **Special Educational Needs (SEN) transport scheme**

Further Information

Further information is available at:
